SPONSORSHIP PACKAGE

On February 8, 2025, United Against Poverty, Indian River County, will hold its 12th Gala at the Oak Harbor Club. All proceeds from this event will continue funding programs and services that will empower individuals and families living in poverty to become economically self-sufficient.

Programs at United Against Poverty - IRC Campus

- **Success Training Employment Program (STEP)**
STEP provides the skill sets to find a job and acquire the emotional skills to maintain employment and become a valuable employee and team member. Each STEP graduate is paired with a Success Coach to help them navigate their new employment.
- **Member Share Grocery Program (MSGP)**
Members can acquire discounted nutritious food, including produce, meats, dairy and pantry staples. Members contribute a handling fee that is only 30% of the cost in a regular grocery store.
- **Crisis Stabilization Program**
UP provides support for those facing crisis, assisting them to stabilize emergency needs and to access resources to address the underlying issues. Collaborative partners with office space at our campus provide one-stop access to many community services and healthcare.
- **Build Up**
The Build UP Program provides hands-on training and skills to secure in-demand, high-paying employment in the growing trades, construction and manufacturing fields. Participants earn certification in basic construction math and measurements, OSHA 10 safety, CPR and first aid, along with emotional intelligence skills.
